After such a warm autumn, it seems like winter has snuck up on us. We want to thank you all for having your kids so ready for the change in temperature. As a reminder, it is a really great idea to take a sharpie and label EVERYTHING with your child's name or initials. The little cloth tags inside of these clothing items are a good place to put their identification (in both gloves!) and makes it a lot easier to reunite lost items with their owners. Having an extra pair of dry socks tucked into their backpacks throughout the winter is also very helpful.

DONATIONS WANTED

Our nurse would love donations of mittens, shoes sizes 12-2, socks, boots and ski pants

On October 27th we held our annual pumpkin carving.

We held a mock election on October 31st. Students grades 4-6 got to vote in a real voting booth

If you do NOT get the snow day phone call, or if you need to add or Change phone numbers, please call Miss Sandy and get that squared away. Chances are we will have more than one snow day this year!

December 3d – Holiday Market at the Randolph Elementary School 9am – 1pm there will be various vendors with homemade goods and wares, as well as a penny sale. If interested in renting a table call 728-9555.

Auction

The 22nd Annual Brookfield Auction is also just around the corner Saturday, November 19th door open at 5:30pm and bidding starts at 6:00pm sharp!! Auction donations are pouring in and the items are impressive. Special thanks to our dedicated School Club volunteers who are committed to this fundraiser. The money raised goes directly to enrichment activities for the Brookfield children! Childcare will be provided that evening, great food is for sale, and the whole evening is just a blast! We hope you will be able to join us!

EMERGENCY!

Can we reach you if your child is ill or there is an emergency? When the snow flies and school is canceled, will you get that call at 6am?

Please keep the school office updated if there are changes to your phone number, cell number, other emergency contacts, home address or your workplace.

Your child needs us to be able to contact you when it is most important.

Thank you!
