

Restraint/Seclusion  
Rule 4500  
8/15/11

“ Annually, at or before the beginning of the academic year, each school shall inform all school personnel, and parents of students enrolled in the school of the policies pertaining to the use of physical restraint/seclusion and the intent to emphasize the use of positive behavioral interventions and supports in its intention to avoid the use of physical restraint or seclusion to address targeted student
